TO THE WHOLESALE TRADE

TERMS AND CONDITIONS OF SALE

2 percent discount and free packing and boxing will be allowed except for B&B stock when cash in full is sent with order. C.O.D. shipments will be made when order is accompanied by one fourth of full amount of order in cash. Please do not ask for C.O.D. shipments otherwise.

To those who wish charge accounts our terms are strictly 30 days from date of invoice net. Such accounts will be open to those who have established credit with us or can give satisfactory trade and bank reference, allowing sufficient time for investigation.

QUANTITY RATES, PACKING CHARGES, ETC.

5 plants at 10 rate; 50 plants at 100 rate; and 250 plants at 1000 rate.

Boxes and bales charged for at actual cost of material.

Transportation charges are to be paid by customer, and prices are quoted F.O.B. our shipping point.

Whenever possible please state mode of transportation, routing, etc., otherwise we will use our best judgment, assuming no responsibility.

GUARANTEE OF STOCK, CLAIMS, ERRORS, ETC.

We put forth every effort to supply only healthy, true-to-name stock, and will replace upon proper proof any stock that is found otherwise; but under no circumstances will we be responsible for more than the original purchase price.

Claims for errors, shortages, etc., must be made within ten days from date of invoice to receive consideration. Unpack shipments upon arrival, and report any claim promptly.

All stock quoted, subject to market changes, supply being exhausted or being destroyed by agencies of nature beyond our control.

We reserve the right to reject any or all of your order, refunding any payments made.

Shipments become the property of the purchaser when received by transportation company, and we shall not be responsible for any damage while in transit. We are willing at all times to help you establish any just claim for such damage.

INSPECTION

A certificate of inspection will accompany each and every shipment made by us.

COLLECTED NATIVE STOCK

We are again listing the worthwhile varieties of native stock. Many of our customers find it convenient and economical to buy these plants and have continued to do so year after year. We have handled this material for years and have continued to make every effort to improve the quality so that you can now expect reasonable results from it.

You will find many items listed that are not available in nursery grown plants. If you have not bought from us in the past we ask your consideration. Our past customers know the quality we have always shipped to them and we feel sure that you will continue with us.

If you have need of other grades of this material than we list please write us and describe fully what you want. Prices will be as reasonable as possible to make.
